On the Way to 5th National Convention . . .

TAKE YOUR PICK OF THESE SUMMER SQUARE DANCE CAMPS

A movement among square dancers, which is proving more popular each year, is to spend their vacations at one or more of the many square dance camps that now dot all parts of the country.

The fees at these camps are very nominal, and at most of them facilities are so arranged that the whole family can take part in them.

We need not tell the "Old Campers" what a wonderful time can be

had, but we would like to advise the neophytes in the square and round dance movement about the wonderful things these camps are for getting acquainted with dancers from all over this beautiful country of ours. If you have never attended one of these camps, you should make arrangements to do so: you will never regret it. So sit down NOW and mail in your reservations for a glorious week or two.

Camps to suit anyone's fancy in regards to climate, from the seashore to the mountains and points in between are now accepting reservations for any of the many weeks they are in operation.

"Whirling Tops" National Convention Trail Dance

The date is Sunday, June 17, 8 p. m.

The Purpose, first, to offer a sincere California square-dance welcome to the dancers from other states on their way to the 5th National Convention in San Diego. Second, to give our out-of-state guests the opportunity of experiencing the best in typical Southern California-style square and round dancing.

The Host, "Whirling Tops," one of California's leading clubs and one formed by and of experienced leaders, callers and dancers. Now over three years old, this club has a reputation for staging special and unusual events. The "friendly fun dance" theme is stressed at all of this club's dances.

The Location, Internationally famous "Sunny Hills," square dance capital of Southern California. This mammoth "square dance barn" is located in Fullerton, approximately 27 miles southeast of Los Angeles.

The M. C., An outstanding mo-

tion-picture personality will be Master of Ceremonies to lend that "Hollywood" touch that goes with Southern California. But still—a square-dancer! We are sorry that we are not at liberty to announce the name of our M. C. at this early date.

The Callers, "Whirling Tops," regular staff of callers will do the honors, consisting of Darrell "Brownie" Brown, George Elliott, Fenton "Jonesy" Jones, Joel Orme and Ray Orme. These callers are not only recognized to be among Southern California's very best, but hardly an active dancer in the United States has failed to dance to at least one of them, due to their past participation, both nation-wide and in Canada, in some of the biggest round-ups, festivals and conventions.

The Music, Nationally famous Jack Barbcur and his Rhythm Rustlers. Regular musical accompaniment for both "Whirling Tops" monthly dances and "Sunny Hills" weekly Saturday night specials.

The Dance, will be conducted in typical Southern California style. No advance programs. Each tip

will consist of one of the newest or best in singing calls and one "hash call" of the caller's own selection. Each tip will be separated by one of the newest or best of round dances, either requested by the guests or selected by the caller. It will be a typical "Whirling Tops" party dance. Expect the unusual! It will be an experience no dancer attending will forget or fail to enjoy. It will be a most excellent "warm-up" for the National Convention!

Tickets must, of course, be limited to hall capacity, 40 squares from California (to pay expenses and provide the "atmosphere") and 40 squares of our out-of-state guests (welcomed free of charge). Tickets available will be on a first-come first served basis. We fully expect them to be gone quickly. Everyone who desires to take advantage of this great event is advised to act promptly.

Write to Jessie Putney, 9327 Gotham Street, Downey, California. (Be sure to state how many will be in your party).

TEXARKANA NEWS

Will send a little news from this area and a few of Jim's plans for the summer. Our Four States Festival was quite a huge success with some 70 sets of dancers. Most interesting was the after-party held at the Sands Motel where dancers danced around the swimming pool. I am having a children's festival at the Sands for the 4 states area May 24. There will be square dancing, ballroom dancing, swimming and cokes and hamburgers served to the children. Some 200 are expected as that is how many I have dancing.

We have two camps this month—one at Mt. Magazine, Ark., and one at La Joie, Tenn. Richard Dick and Glynn Byrnes and Jim Brower will conduct the two camps. Jim will appear at the Cotton Carnival on TV and the afternoon clinic, May 19. Jim called a dance in New Orleans, April 14, with a crowd of 30 squares. A good time was had by all.

Our own club in Texarkana will dance through June. Jimmy McManus of Dallas will call here May 26. They are all looking forward to Jimmy's dance. Jim and I are going to Camdenton, Mo., for the big festival where we both appear on the program June 2.

Our Fourth Annual Family Square Dance Camp will be held at Beaver's Bend, Broken Bow, Okla., July 7-8 with Jim and Jimmy Straughn as camp directors. There will be plenty of good food. Square dancing and couple dancing. On July 14 we go to Waller, Texas, where Jim is one of the emcees, and know we will have fun with all our Texas friends. July 21 Jim calls a dance at Marvel Cave for Jim Faulkenberry. July 28 we call for Shreveport Circle 8 Club.

The Four State Square Dance Assn. will have a big membership dance at Fayetteville, Ark., with the Fayetteville Club as host to dancers in that area. The dance will be held at the Uark Bowl.

The middle of August Jim and I leave for a tour through Georgia, Pennsylvania, Rhode Island and on into Camp Beckett, Mass., where we both teach Western Rounds and Squares, with Charlie Baldwin at the Boston YMCA Square Dance Camp that is held for 8 days in the Berkshire Mountains. I just

Vacation time is around the corner, and now is the time to plan your summer square dance vacation. In this issue you will find some of the best camps in the country listed; take your pick, but "for the time of your life" attend at least one . . . Words has reached us that the popular Ace and Mazzych White of Kingsville are being transferred to St. Louis, Mo. If correct, Texas will lose one of its most popular and hard-working ones . . . Manning and Nita callers and also one of the best Smith's children's programs at College Station are going great

guns again this year. They have also formed a new square dance club on the A&M campus, the Aggie Squares. The Smiths are taking off on a two-month tour all over the country the middle of May . . . Another couple that are doing some fast traveling are Jim and Ruth Brower of Texarkana . . . Note to our Subscribers: Please renew your subscription NOW for the coming year (it costs money to publish each month and we can't afford to carry anyone free), so will you please help us? . . . Several clubs in the Dallas-Fort Worth area will have dances during the summer — watch for the dates in the June issue . . . This has been a banner year for beginner classes in Dallas. Approximately 2,000 dancers have been graduated by various callers, and a more enthusiastic group of dancers can't be found anywhere. Now let's

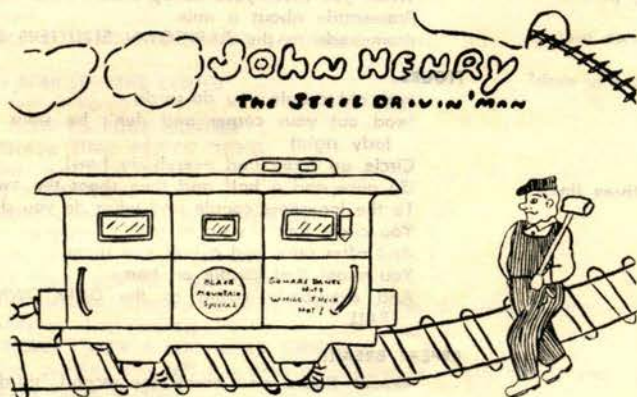

make them welcome at all our dances; that will be the job of the "older" dancers . . . How about sending in some news? It is impossible for your editor to attend all dances and festivals (got to make a living), so any newsworthy items will be appreciated.

Harper Smith will do some traveling before going to La Veta, Colo. One of the places he will visit and call a dance is in Scott City, Kansas, the last Saturday in June.

Texoma Squares in Denison Buy Their Own Club House

The envy of many other square dance clubs will be the Texoma Squares S/D Club in Denison, who have purchased an old school building just outside of town.

Members of the club are in the act of remodeling the structure

which will be in full operation this month.

The club, which meets on the 1st and 3rd Saturdays, has Harper Smith calling on the first Saturdays and use club callers (and they are good) on the other.

The place is located just off the highway between Denison and Bells (about a mile out of Denison

on the right).

We congratulate the club and its members.
